

TYPE OF BATTERIES

Cell Type (IEC: Publication 60623)

Classification By Performance	MODELS	Classification by IEC Standards	Suitable for
Very High-rate Type	HDV	KPX	short-time, heavy load
High-rate Type	HDH	KPH	short-time, heavy load
Medium-rate Type	HDM	KPM	short-time, medium load
Long-rate Type	HDS	KPL	long-time, continuous discharge

Comparison of Models for their discharge characteristics & most economical use time
